LAUREL LAYERS HARD HIT

COTERIE OF WESTERN HORSEMEN BRING OFF BETTING COUP WITH BACK BAY.

Donald Macdonald Wins Overnight Handicap by a Narrow Margin in Hard Drive with Flamma Miss Edith an Easy Winner.

Baltimore. Md., October 2.—Form was well observed at Laurel this afternoon, and well-backed herses took the majority of the purses. The first four races went to public choices, but it is doubtful if their combined successes hurt the ring as much as did Back Bay's win in the fifth race. The latter was the medium of a heavy plunge, the money being placed by a coterie of westerners who profited handsomely by the horse's victory.

The feature race was an allowance affair at one mile and a sixteenth and furnished a stirring contest in which Donald Macdonald beat Flamma a head after a long and hard stretch drive. Flamma came from behind and was catching the winner with every stride.

Perfect racing weather helped to bring out a large crowd. The program was well balanced and in only one instance did the winner have more than a length to spare. The Schorr stable scored its first victory of the meeting when Miss Edith made a runaway affair of the second race, a dash of five and a half furlours, for two-year-olds. Ringling's showing was a keen disappointment and some attributed her poor performance to Ambrose, who had the mount. Usually a fast beginner, Ringling was outpaced in the early running, dropping back to last place. At the thirds he was closing fastest of all.

The absence of jockey Shilling from the saddle was still food for gossip among race-goers this afternoon. Just when the stewards of the Jockey Club would meet to take his case under consideration no one seemed to know, but the supposition is that the matter will be adjusted during this month. The special horse train that left Toronto on Monday morning arrived here this afternoon and the horse swee unloaded at about four o'clock. One of them. Troy, Weight, was a starter in the sixth race and was made the medium of a plunge. The horse showed a flash of early speed, then weakened. Bob Levy, who was a visitor at Laurel today, reported them. Troy, Weight, was a starter in the sixth race and was made the medium of a plunge. The horse showed a flash of early spe

ton, W. A. Burttscheil, W. Burttscheil and William Walker.

Sol Litchenstein joined the ranks of the layers this afternoon. He was one of the forty that had slates up.

The victory of Back Bay was a costly one for some of the layers, Henry Haines was one of the biggest losers over the race. He paid out over \$1,000 on the horse.

The Beverwyck Stable has decided to ship Colonel Holloway to Louisville to start in the Kentucky Endurance Stakes to be run at Churchill Downs and led will probably go west in the car with Star Charter. John Schorr wants to give Star Charter another good work, which means that he may delay face latter's departure until Saturday morning. Frank Taylor was to have sent Adams Express to Kentucky, but the horse went wrong in his last race and will be on the shelf for a week or two.

Leslie-Marvin, Florenz Israel and Joe Tigue, of California, were among the new arrivals at Laurel this afternoon.

The weights for the Baltimore Handicap, one mile the stemant to be run on Saturday, were an-

HAWTHORN A GOOD RACER

F. BUSCHEMEYER'S \$10,000 GELDING CON-CEDES WEIGHT TO GOOD OPPOSITION.

cores Impressive Victory in Prospect Stakes at Douglas Park with Impost of 125 Pounds-Grover Hughes Wins Another Handicap.

Louisville, Ky.. October 2.—Carrying 125 pounds and conceding much weight to his opponents, that included the best juveniles to be mustered in theseparts, Charles F. Buschemeyer's \$10,000 Hastings—White Thorn colt, Hawthorn, today clearly established his superiority by an impressive victory in the Prospect Stakes Handican, six furiongs, value \$1,670 to the winner. The Widow Moon was second and Rosturtium third. The unplaced contestants included Solar Star, Gowell and Benanet. Hawthorn showed extreme speed from the start, running the first half mile in :46 and the first quarten in :23. The Widow Moon kept him close company for most of the way and just before the last furiong post was reached appeared the probable winner, but Loftus shook Hawthorn up smartly and he drew away, to win well in hand by a full length. The Widow Moon, under hard pressure, retained second place, with Rosturtium pressing her closely at the end. The latter's showing represented a decided in the second of the second of the second was eased up on the last turn.

Fine weather and a good card served to bring out a big crowd. The betting also showed vast improvement. The contests were spirited and fast time was generally recorded. The talent fared poorly, only two favorites. Hawthorn and Grover Hughes, scoring. The latter showed consistency braking the overnight handicap, that served as the secondary feature of the afternoon, after a game effort in which he successfully stood repeated challenges from Kootenay, Three Links and Jim Basey. The latter finished in second place and but for bing taken back in the first quarter might have won the purse.

Following Ella Bryson's victory in the fifth race over Mud Sill, the favorite, R. F. Carman bid her up to \$1,200 from her entered price of \$600. The bidding was in getallation for the loss of Colonel Ashmedde last summer at Latonia, Adair & Baker having taken him from Mr. Carman out of a selling race. Adair & Baker retailated for the run-up this afternoon by claiming Mud Sill for \$1,030.

The two-horse combination, composed of Flying Tom and Cohort, yielded its backers \$112.55 for \$2.

The three-horse, composed of Grover Hughes, Ella Bryson and Beautiful, paid \$186.30.

Stake blanks for the events to be run over the Norfolk track this fall were distributed to the horsemen this afternoon.

Complaint was received yesterday by the Humane Society from a woman regarding the condition of Follie Levy. Owner Odom's attention was called to the matter by the officers of the society and be assured them that the enlargment of the knee that is bothering the filly is not of a serious nature. He further volunteered the information that if every man, woman and child received the same care that Follie Levy did it would be a happy world.

C. F. Buschemeyer stated after Hawtborn's victory that the colt would be pointed for the Kentucky Derby of next season and that he felt reasonably sure of winning it.

NOTES OF THE TURF.

The Scottish Derby, a \$4,000 race run at Ayr, was won by L. Neumann's Jaeger.

C. Cochel is planning to dispose of Island Queen, the only racer he has in training now that Forehead has been gelded and turned out.

Tonl, owned by W. K. Vanderbilt, won the Prix du Reservoir of 3,000 francs, for two-year-olds, at Saint-Cloud, in France, Monday. Eight other horses ran, the distance being 1,400 meters, Jockey O'Neill rode the winner.

rode the winner.

Charles Schumacher, fifty-five years old, was found dead in an alley at St. Louis Sunday morning. He was at one time a racing owner and was well known during the racing days at the old Fair Grounds. Some years ago he met with an accident which crippled him.

H. P. Whitney won two races at the recent Yarmouth meeting in England, with Stung Again and Balaton. The former is by Voter—Mosquito. Balaton is a three-year-old by Burgomaster—Ballyhoo, and evidently was not highly valued. Entered to be sold for \$250, he changed owners at \$800, going to a Mr. Herry.

The amount of money spent by Mr. Whitney is enormous, and it must always be our fervent hope that he will continue to race in this country. We couldn't do without him very well. By the way, nothing more has been heard of his reported election to membership in the Jockey Club. It would be a step more acclaimed than anything ever done by that body.—London Standard.

Work on the prepared ways three quarters will

by that body.—London Standard.

Work on the proposed new three-quarter mile race track at Cote St. Michel near Montreal, is not nearly so far advanced as was indicated by previous reports. In fact, work has not yet been started on the plant and it is still a toss-up whether it over will be. This proposition is backed by the interests which formerly controlled Delorimier Park, Thirty acres of land were purchased at Cote St. Michel, but that is all the progress that has been made and prices for the neighboring land have gone out of reach.

out of reach.

The amount of silver coins which were handled last week at Doneaster in connection with the four-days racing—the silver takings of the Corporation—turned the scales at one ton and 418 pounds. The whole of these coins had to be handled and carefully counted. There were less than a dozen bad coins. The receipts of the Doneaster Corporation Tramways for the four race days, although not a record, were in excess of last year. Altogether 104,666 passengers were carried to an from the course.—London Sportsman.

The latitude allowed in the matter of claiming

has been little abused during the Unandan rules has been little abused during the two seasons in which it has been in effect. Some of the claims, though, at Woodbine were so apparently friendly that the rule will pobably be strengthened next year. This can be accomplished by the adoption of the provision in force in Kentucky, that a horse claimed and found in the possession or charge of the original owner in the next sixty days will not be eligible to race.—Toronto Globe.

CLOSE FINISHES AT HILLCREST.

CLOSE FINISHES AT HILLCREST.

Toronto, Ont., October 2.—Favorites and second cholces were successful in the majority of the eight races at Hillcrest Park this afternoon. The racing was featured by several close and exciting finishes. The judges only could separate True Step and Florida's Beauty in the fourth race. Jockey Dreyer came into the spottight by piloting three winners.

George J. Day furnished two of the winners in Boray and Frog, the latter winning the eighth and feature race in a canter.

Scarlet Pimpernel was the medium of a heavy plunge and came from a long way back in the stretch to win the seventh. Jockey Carroll performed a circus "stunt" on Mother in the second. His mount stumbled while rounging the first bend and he was thrown completely out of the saddle, but scrambled aboard again and was only beaten half a length for third money.

The promising lightweight jockey, Frank Adams, who has ridden with success on the Canadian tracks this summer, left here tonight to ride at Laurel.

Eugene Lutz has released Jockey A. Hanover and the boy is riding here as a free lance.

Jockey C. White was fined \$15 by starter Murray for disobedience at the post.

LAW GOVERNING INDIANA RACING

It is understood that in view of the reports emanating from Indianapolis concerning the attitude of Governor Marchall of Indiana towards racing on the new track of the Mineral Springs Jockey Club, near Porter, the management of the new course, over which racing is scheduled to begin on Saturday of next week, are preparing to take such immediate action as will settle beyond peradventure the legal status of the new racing organization.

For the information of horsemen who may be interested in the matter, Daily Racing Form herewith reproduces in full what is known as the Seller law, under the provisions of which the proposed meeting is to be held:

HORSE RACING.

HORSE RACING.

is to be held:

Any person, corporation, company or association adding or abetting in such race by taking part in advertising therefor, or by furnishing any animal to participate in such race, or by acting as driver therein, or by allowing or suffering the use of a track, course, or other place owned, managed or controlled by him or it, or by aiding in any way in conducting such race, shall be deemed guilty of misdemeanor, and fined not less than one hundred dollars nor more than five lundred dollars, to whica may be added imprisonment in the county jail for a period not exceeding six months.

Any person violating the provisions of this section, or aiding or abetting in the violation thereof, shall be fined in any sum not less than one hundred dollars, nor more than five hundred dollars, to which may be added imprisonment in the county jail for a period not exceeding sixty days.

Preparations for the opening of the meeting continue to proceed satisfactorily. Richard Dwyer, who is to officiate as starter, will depart for Louis ville tonight to interest horsemen now racing in Kentucky in making shipments to the new track. Mr. Dwyer will carry with him an assurance that the new track will be ready for the reception of horses by Sunday next. The grandstand has been virtually completed and an extra force of laborers have been put at work finishing up the track proper. Applications for stall accommodations have already been received from several owners at present racing in Kentucky.

W. R. Norvell, who is looking after the interests of the new track among the horsemen racing in Canada, has sent word that the pick of the horses and jockeys in that section will come to Indiana to engage in the racing at the new course.

The Indiana Jockey Club, which will exercise governing jurisdiction over the proposed racing, is in process of formation. This organization, it is understood, will work in harmo
